Summer Courses in Madrid 2016

Intensive Spanish Language Course

August 16-26
About the University

The Universidad Pontificia Comillas, founded in 1890, is one of Spain's most prestigious private Jesuit universities. Located in the center of Madrid, the University offers easy access to shops, museums and parks.

There are over 10,000 students enrolled in the University's degree programs during the year. During the summer, in conjunction with the Institute of Modern Languages, Comillas International organizes Spanish Language and Culture modules for foreign university students.

Program

This 60-hour module is especially designed for exchange students who wish to stay after the course is finished to study at Comillas for the semester or the year.
